Dining Out In Western Queens

Fast Food 'Italian Style' In Jackson Hts.

Martha's Vineyard is quite an unlikely name for an Italian food take out/eat in store that operates somewhat like a Chinese food take out. The store has become the hottest fast food operation in Jackson Heights. In fact, business has been so good, owners have opened another place next door called Vineyard's Lobster House, specializing in Cantonese and Szechuan cuisine.

Head chef and manager Tony Yeung, who worked for Douglaston Manor in Little Neck and the Waterfront Crab House in Long Island City before joining the new enterprise four years ago, said: "No one makes our speciality dishes. They are mostly my own creation."

Looking over the menu you see what he means Offered are dishes like linguine with shrimp and calamari, tortellini with seafood sauch, lobster sea kettle, and chicken cutlet with shrimp marsala. The wide variety makes it difficult to choose only one dish. The store also offers a fresh fish market, said Yeung, "All our fish is purchased daily at the Fulton Fish Market."

Next door at the new Vineyard's Lobster House, customers were choosing dishes such as cold noodles with sesame paste, sauteed baby shrimps with cashew nuts, shrimps with calamari and broccoli (Szechuan) or Cantonese shrimps and flounder fillet. Menus for both stores contain an endless variety of pasta, meat, fish and vegetable combinations so that it becomes difficult not to want to try everything.

Hours for the stores are seven days a week from 11 a.m. to 10 p.m. At any given time, the stores are crowded with customers for in addition to the excellent food, the prices are reasonable.

Catering for any size party is offered.

Said Yeung, "We have been catering about 15 parties a week, many in Manhattan. Everyone is beginning to know us."

Martha's Vineyard is located at 80-18
Northern Blvd. and the Vineyard's Lobster House at 80-10 Northern Blvd. Free delivery is available on minimum orders of \$8. The success of this business goes to prove that there is a tremendous market in Queens for quality fast foods of all types. Both stores are perfect examples of imaginative entreprenuership combined with quality food and service. A combination that can't be beat.
